United States District Court  
Southern District of New York  
40 Foley Square  
New York, New York 10007

**Re: *United States v. Michael Posner*, 20 Cr. 162 (JPO)**

Dear Judge Oetken:

The Government writes to respectfully request a two-week adjournment of the parties' June 15 and June 22, 2022 deadlines to file motions *in limine* and oppositions, respectively. The parties are engaged in plea discussions that are likely to result in a pre-trial disposition. To that end, the Government has extended the defendant a plea offer, which is currently outstanding; the defendant has indicated, through counsel, that he is unlikely to proceed to trial.

In light of the foregoing, and with the consent of defense counsel, the Government respectfully requests that the Court adjourn the upcoming trial-related deadlines for a period of two weeks, at which point the parties will have greater clarity as to the need for a trial in this matter.

Granted.  
So ordered.

Very truly yours,

DAMIAN WILLIAMS
